

Maricopa Police Department

Voluntary Security Camera Registration Program

This program allows citizens and business owners to register the locations of their video surveillance systems with the Maricopa Police Department. When a crime occurs, we will be able to identify the locations of video surveillance systems and enlist the assistance of citizens to help us collect video evidence.

By registering your cameras you are providing the Maricopa Police Department with a proactive approach to preventing crime. Also by registering your cameras you will help solve crimes in your area if they should occur. Note: your camera information will not be available to the public and only visible to the Maricopa Police Department.

Register at: <http://www.maricopa-az.gov/web/police>
